DIGITAL PARLIAMENT

PRESENTS

YOUTH QUESTIONS PANELIST COMPETITION

About DIGITAL PARLIAMENT

Digital parliament is a tech based initiative to build a bridge between the elected leaders, and the masses to directly interact and resolve their social welfare challenges. Through this tech based initiative we strive to educate, inform and make citizens privy to their political leaders and different constitutional activities by facilitating interaction between stakeholders and elected representatives.

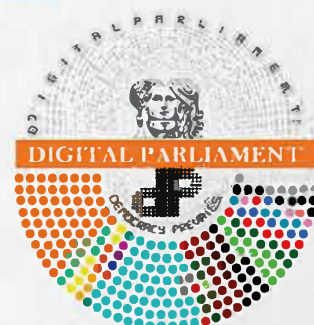

About YOUTH QUESTIONS PANELIST COMPETITION

Youth Questions is a flagship talk show where we learn about the lawmakers walk of life, learning's, and the priorities that are given to education, health-care and other sustainable development goals (SDGs) in their respective Assembly, Constituency and the Ministries.

The aim of this Competition is to attract and give opportunity to political aspirants and enthusiasts to be among the selected Youth Panelist on the Youth Question Show and get the chance to ask direct one to one questions to the political leaders . This competition is a golden opportunity for Youth Unions, associations, NGO's, Corporate, School Students, academicians, political science students, law students, people from industry and political enthusiasts.
